An Old Church with a New Heart

"Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind."

We teach and preach the basic truths of the Bible without apology and without compromise.

We are committed to traditional values and strong families.

We sing hymns and praises that are rooted in sound biblical teaching.

We believe that Jesus Christ is Lord —that He alone is "the way, the truth, and the life."

"Thou shalt love thy neighbor as thyself."

We believe in searching the Scriptures to find God's eternal principles for today's problems.

We affirm that personal integrity today is the long-term solution to society's ills.

We tune our hearts to authentically worship through song.

We affirm that commitment to God's message means commitment to a lifestyle of service and love.
